

## February 2026 Club Newsletter

Welcome to our first newsletter of the new year. It's been amazing watching our Republican Women's group grow nearly every time we meet! It's so rewarding to see new faces at our meetings. Please note that 2026 Club registration has started. You can register at [wrcslc.org](http://wrcslc.org) or bring \$35 to our next meeting to register.

**Note to all members: If you have an announcement for the newsletter or to announce in our meetings, this needs to be put on our agenda 7 days before our meeting! Please text your request 7 days in advance to Carolyn Phippen at 801-879-5678.**

Our next meeting is February 19<sup>th</sup>. Our guest will be Gary Shapley, former supervisor of the Hunter Biden Tax Investigation. We'll also be holding an election for club secretary. Please make sure to arrive early at the Bicentennial Indoor Pavilion to get registered, seated and ready to vote. The address is 8680 S 530 E in Sandy. Registration will begin at 11:30am. Our meeting will start at 12:00pm sharp.

Jill Peterson, who is on our County Council Committee, is asking for more support at the Salt Lake County Council meetings. This would be a great way to get involved and keep up with what the County Council Committee is doing. They usually meet on Tuesdays at 1:30 in the County Council Chambers Room N1-110. The address is 2001 South State Street, North building. If you would like more information, contact Jill at (801) 550-4412.

As you may know, the Utah State Legislature is in full swing. Our club was recognized by the Utah House and Senate on January 29<sup>th</sup>. Cheryl Acton read the citation in the House and Heidi Balderee read it in the Senate. This is such a great accomplishment and a testament to the power of a grass roots vision growing into an amazing group of conservative women. Being acknowledged during our legislature session was a great moment for our club.

### **Club Members in Action:**

Three of our club members helped plan and execute their first Wasatch County GOP Veteran's Day event. Patty Sprunt (on the right) is the Vice Chair and Cindy Cossairt is a member of the State Central Committee. Gaylyn volunteers her time and knowledge everywhere! Way to go, ladies!

Several of our club members gathered signatures for the Prop 4 petition and the Stop the Tax petition. Thank you to all who helped gather the necessary signatures!
